

Tuition and Fees

Registration at the University consists of enrolling in classes and paying required fees and charges. Registration cannot be completed and no student can be formally in a class until all required fees and charges, including any prior balances, are paid to the Office of Treasury Services.

Guaranteed Tuition & Fee Plans

Prairie View A&M University now offers guaranteed tuition & fee plans to all students enrolled. Undergraduate students admitted for Fall 2014 and after will be assigned a 5 year guaranteed tuition and fee rate, while new graduate and doctoral students will be assigned a 4 year guaranteed tuition & fee rate. Undergraduate and graduate students admitted prior to Fall 2014 will be assigned a 4 year guaranteed tuition and fee rate. This means that the student will be locked in with the tuition & fee rates assigned and will not experience an increase in their tuition & mandatory fees during the guaranteed time period. The guaranteed rate does not include lab fees, meals, housing, or any other miscellaneous charges such as parking. Tuition and fee schedules can be found at <http://www.pvamu.edu/fmsv/fee-display/>

Flat Rate Tuition

Undergraduate students will be assessed a flat rate of tuition and fees when taking 12 or more hours. Students will pay the same tuition & fee rate for taking 15 or more hours as they would for taking 12 hours. This will assist the student financially in taking more hours while staying on track to graduate within their specified time period according to their major. Students are encouraged to take 15 or more hours to take advantage of this rate which will save them money each semester.

Variable Rate Tuition

Beginning Fall 2016, Prairie View A&M University will have an option of a guaranteed tuition plan or a 1 year variable tuition & fee rate plan. Unlike the guaranteed rate plan, this variable rate plan is subject to increase on a yearly basis. If a student chooses the variable rate plan, they will no longer be able to go back to the guaranteed rate plan. For Fall 2016, new students will have until 1st class day to opt for the variable rate. New Fall 2016 students were enrolled by default in the guaranteed tuition plan. For Fall 2016, however, new students may make their selection change by sending an e-mail to stuar@pvamu.edu prior to the start of the 1st class day for Fall 2016 if they wish to select the variable rate plan.

Starting with Spring 2017 semester, new students must make the selection at time of registration. For Academic Year 2016-2017 (Fall 2016 thru Summer 2017), the variable rate will be the same rate as the guaranteed tuition & fee rate for 1 year. This rate may increase for the Academic Year 2017-2018

Fee Payment Plans

Prairie View A&M University offers the following fee payment plans for the payment of tuition and fees:

1. Full Payment In Advance
Full payment of tuition and fees is made in advance of the beginning of the semester (by the last business day prior to the 1st class day). For Summer sessions, 100% of payment is due on or before the 4th class day (census day).
2. Installment Payment Plan (Fall/Spring semesters only)
Payment of thirty-four percent (34%) of tuition and fees on or prior to the 12th class day (census day) of the Fall/Spring semester, payment of thirty-three percent (33%) on or prior to the first Friday in October for Fall and prior to the first Friday in March for Spring ; and payment of the final thirty-three percent (33%) on or prior to the first Friday in November for Fall and the first Friday in April for Spring.

Note: Payment plan options are subject to change in the future.

I understand I am responsible for maintaining my correct address and telephone contact information in PANTHERTRACKS through PVPLACE. I am responsible for reading all e-mail sent to my pvamu.edu address."

I agree that if I have not paid 100% of my current tuition, fees, and charges by the last business day before the first class day, that PVAMU has my permission to automatically enroll me in the installment method for payment of my current tuition, fees, and charges for Fall and Spring terms only. I understand there will be a fee assessed for enrolling in the installment method and I agree to the assessment. I understand that if I fail to make the installment payments on the date due, I will be assessed a late charge for each time I fail to meet the due date. I understand the terms for the installment method for payment of my current tuition, fees, and charges as listed on the Treasury Services web site Fee Payment Plan (<http://www.pvamu.edu/fmsv/treasury-services/payments/fee-payment-plans>). If I should be able to pay all current tuition, fees, and charges in full prior to the first day of class or on the same day I initially register for courses, the installment payment plan fee will be reversed if assessed"

I understand that if I have not paid 34% of my tuition and fees on or prior to the 12th class day (census day) for Fall/Spring and 100% on or prior to the 4th class day (census day) of school for summer that I will be dropped for non-payment. If I enrolled late or add additional courses after schools

begins, I understand if I am not in a paid status as stated above by the 20th class day for Fall/Spring and the 15th class day for Summer (per PVAMU Academic Calendar) for the current term that I will be dropped for non-payment.

If the above agreement has not been made by the student, full payment of total tuition & fees will be due the last business day prior to the 1st class day or on the same day the student initially registers for the term whichever comes first. The agreement can be obtained by the student on-line via PVPLACE through Panthertracks by logging into their student account and selecting add/drop class from the Registration tab.

Undergraduate Semester Credit Hour Limit

Effective fall 1999, all resident students enrolling for the first time at a state institution of higher education in Texas will be subject to paying non-resident tuition rates for excessive undergraduate credit hours. The state has defined excessive undergraduate credit hours as attempted credit hours that exceed by at least 45 hours the number of hours required for completion of a student's declared degree plan. For students with undeclared majors, their degree plan is assumed to be 120 hours. We urge students to seek academic advisement throughout their college career, to minimize the number of excessive undergraduate hours and to avoid the higher tuition rates.
